Thanks.

Depending on how quickly changes and re-signing can be done, can it wait for issuance tomorrow?

We have this order for issuance. I see that the headers on page 2 and after reference both docket numbers, but the first page only references 020071 and gives only that docket's title.

Please add 991890 docket number and title to the first page. This may necessitate having the order re-signed since it will probably change the page breaks, etc.

If we do have it re-signed, would it be appropriate perhaps to tell Utilities Inc in the ordering paragraph to reference 020071 when it files its testimony on 12/9 -- and could an ordering paragraph be added tell parties to begin referencing only 020071 on all filings, in fact?

Kay
