Good morning! I will update MCD regarding the transfer of certificate with a name change accordingly by the orders and with the confirmation of this e-mail that it was for whatever authority the Hayes Telecommunication Services, Inc. had will go to the new company Hayes E-Government Resources, Inc. Appreciate you checking into this for us, since I wasn't sure if the order had to mention "ALEC" authority or not. Thanks, Nonnye

I would agree that when we transferred the certificate, we transfer whatever authority went with it. I do not believe the order has to be amended.

If the original certificate was granted with ALEC authority then in my opinion when we transferred the certificate it went with the ALEC authority as well.

Jessica, the order in this docket was issued 11/6 approving transfer of control and transfer of AAV cert. The transferred AAV cert was one that is "with ALEC authority." Should the order have reflected as well that the ALEC authority was being transferred?

Kay
