Re: Farmton Water Resources, LLC
Our File No. 36029.01

Dear Stan:

Pursuant to our conversation last week, I asked the engineers at Hartman & Associates to re-plot the boundary descriptions on the maps submitted as revised Exhibit "G" in order to make sure that they were as close as possible to where the description noted those boundaries as running along the section lines. They offered that they could make them closer and as such, I am attaching hereto two copies of revised Exhibit "G" and request that they be substituted for those previously submitted for this exhibit. I am also sending one copy to the Clerk's office by copy of this letter, _____ to note this change in Exhibit "G."
