RE:

Tremcom International, Inc. (TJ653)

Dear Mr. Saad:

In response to my April 28th letter, the Commission recently received the company's 2002 Regulatory Assessment Fee return form showing gross operating revenues of \$1,695. However, the company did not include a check for the minimum fee, including penalty and interest charges.

Even if a company had no operating revenues, the minimum is still due. This means that the company owes the Commission \$65 (\$50.00 fee, \$12.50 penalty, and \$2.50 interest). To avoid a docket from being established to fine or cancel Tremcom's certificate, payment must be received. Please respond by June 13, 2003. If you wish to discuss this or have any questions, please let me know.
