RE: Change to Staff Recommendation in Docket No. 030866-EQ

Staff is requesting approval to make a minor correction to the above mentioned recommendation. On page 6 of this recommendation, the last paragraph refers to December 3, 2007, which is an incorrect date. The correct date is December 31, 2007. This change does not affect the issue or recommendation statements and therefore, an oral modification at agenda conference should not be necessary.
