Please do! We'll have to number it as having been filed Friday, of course, so if you could come over right away that would be great.

Thanks.

I'm not sure.. I'd have to look at it.. it would have to be docketed if it were for service availability charges - the statute for pass-throughs only allow for the pass through of wastewater treatment charges... not service availability. If you want, I could come over and take a look at it and let you know..

Not sure who to ask on this. Marty Friedman filed with us today (Friday 7/11) an application for approval of pass-thru service availability charge for bulk wastewater service from City of Sanford. Do we docket or not?

Thanks.
