In re: Implementation of requirements arising from Federal Communications Commission triennial UNE review: Local Circuit Switching for Mass Market Customers

Docket No. 030851-TP

Filed: March 19, 2004

ITC^DELTACOM COMMUNICATIONS, INC.'S REQUEST FOR CONFIDENTIAL CLASSIFICATION

ITC^DeltaCom Communications, Inc. (hereinafter "ITC^DeltaCom"), pursuant to section 364.183, Florida Statutes, and Rule 25-2.006, Florida Administrative Code, requests confidential classification of certain data previously filed in this docket pursuant to a claim for confidentiality. In support of this request ITC^DeltaCom hereby states:

1. On February 19, 2004, ITC^DeltaCom filed in the above-captioned proceeding its Responses and Objections to Staff's Third Set of Interrogatories (12-17). ITC^DeltaCom's Responses to Interrogatories 12(b)-12(f), 13(b)-13f), and 14(b)-14(f) contained confidential information that is considered proprietary. When ITC^DeltaCom filed its Response, it filed the appropriate corresponding Claim for Confidential Treatment, in accordance with Rule 25-22.006(5) and section 364.183(1), Florida Statutes, regarding Responses to Interrogatories 12(b)-12(f), 13(b)-14(f).

2. ITC^DeltaCom hereby files this Request for Confidential Classification, in accordance with Rule 25-22.006(4), Florida Administrative Code, for its Responses to Interrogatories 12(b)-12(f), 13(b)-13f), and 14(b)-14(f). The public and redacted copies required by Rule 25-22.006(4) are not being filed at this time as they were filed with the claim filed on February 19, 2004.

3. The information for which confidential classification is requested reveals the number collocations, by BellSouth CLLI, where ITC^DeltaCom is providing service using UNE-L along with the CLLI for the switches in those markets, the number of DS0 lines served in those markets, the number of customer locations being served by those DS0 lines, and the number of customers with 3 or fewer DS0 lines. ITC^DeltaCom considers such information to be trade secrets and information relating to competitive interests which, if disclosed, would be of benefit to competitors and cause harm to ITC^DeltaCom and its customers. Such information provides ITC^DeltaCom an economic benefit, and is not known or readily ascertainable to other persons. Such information is economically valuable to ITC^DeltaCom and its competitors, and ITC^DeltaCom treats such information as confidential and maintains many processes and procedures to maintain its secrecy.

4. A trade secret is defined in section 688.002(4), Florida Statutes, the Uniform Secrets Act, to mean:

[I]nformation, including a formula, pattern, compilation, program, devise, method, technique, or process that:

(a) Derives independent economic value, actual or potential, from not being generally known to, and not be readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and

(b) Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

The information at issue fits plainly in this definition as set forth above. Additionally, disclosure of this information will impair the competitive business of ITC^DeltaCom. Therefore, the Commission should grant the request for confidential classification and find the information contained in Responses to Interrogatories 12(b)-12(f), 13(b)-13f), and 14(b)-

14(f) to be confidential and exempt from section 119.071(1), pursuant to section 364.183(3)(a) and (e).

WHEREFORE, based on the foregoing, ITC^DeltaCom respectfully requests that, pursuant to Section 364.183, Florida Statutes, the Commission enter an Order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted,

UMD
