No, they didn't pay anything and did not provide a date certain. They requested to be advised if there was anything further they needed to do.

Thanks for your help Paula! :)

No, don't open a docket yet unless they either paid 2004 RAF or provided a date certain it would be paid. If they did not, I'll have to contact them. Let me know the document # so I can print it. Thanks.

What is their company code(s)? If it is TJ508 and TX203, then no. I have already opened compliance investigation dockets (040920-TI and 040845-TX) for nonpayment of the 2003 RAFs. If that is not their company codes, let me know what it is and I'll research. Thanks.
