Re: Docket No. 040591-WS; Joint Application for Approval of Sale of Florida Water Services Corporation's Land, Facilities, and Certificates in Brevard, Highlands, Lake, Orange, Pasco, Polk, Putnam, a portion of Seminole, Volusia and Washington Counties to Aqua Utilities Florida, Inc.

Dear Mr. Hoffman:

Enclosed is the list of water and wastewater utilities and governmental/regulatory agencies for eleven counties. Some systems require noticing of two separate counties. The Holiday Haven system requires both Lake and Volusia Counties to be noticed. The Tangerine system requires Orange and Lake Counties to be noticed. The Sunny Hills system requires both Washington and Bay Counties to be noticed. Please refer to Commission Rule 25-30.030, Florida Administrative Code, for the noticing requirements. Noticing must be done in the proper format, consistent with the rule. If your notice is not in the proper format, you will be required to renotice and your application will be delayed. Instructions for preparation of a territory description are available upon request.

Please note that if your county list includes two Department of Environmental Protection offices or two Water Management District offices, you must identify which is the proper district office for your notice. You will note that the county list is dated and is valid for sixty days from that date. If you have not performed the noticing by this date, you must request an updated list.
