The facts attested to in my affidavit are based upon my personal knowledge.

2. I am the Director, Regulatory Services – Florida. This department is responsible for the regulatory accounting and reporting activities of Progress Energy Florida, Inc.

3. As PEF's Director of Regulatory Services, I help prepare, use, and am familiar with PEF's projected budgets and budget variance reports.

4. In its Third Request for Confidential Classification, PEF is seeking confidential classification for portions of the Direct Testimony of Michael J. Majoros, Jr. on behalf of The Citizens of the State of Florida. The information for which PEF seeks confidential classification

is more specifically described in Attachment C to PEF's Third Request for Confidential Classification.

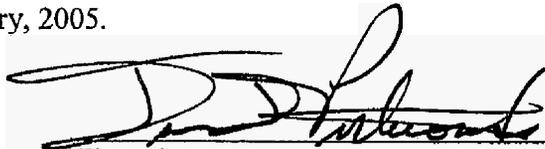

5. Page 12 of Mr. Majoros' testimony, Lines 8-15, contains information regarding PEF's projected budgets and budget variances. This information is proprietary confidential business information that would impair PEF's competitive business interests if it were disclosed to the public, to PEF's suppliers, or to PEF's competitors. Specifically, if PEF's suppliers or competitors were made aware of PEF's estimated budgets or budget variances, they may adjust their behavior in the market place with respect to activity such as pricing and the acquisition and provision of goods, materials, and services.
