**PROGRESS ENERGY FLORIDA, INC.'S
FOURTH MOTION FOR TEMPORARY PROTECTIVE ORDER**

Progress Energy Florida, Inc. ("PEF"), by and through undersigned counsel, hereby moves pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006(6), Florida Administrative Code, for entry of a temporary protective order covering confidential documents and information sought in discovery by the Office of Public Counsel ("OPC") and as grounds therefore states as follows:

1. In its Third Request for Production of Documents (No. 4), OPC has requested confidential information and documents that are responsive to Staff's Fourth Request for Production and Staff's Fourth Set of Interrogatories, specifically, portions of the responses to Interrogatory Numbers 64, 76, 77, 79, 84, 87, 95, 96, 99, 100, 103, 106, 107, 115-118, 120, 132, 134, 136, 137, 140, 141, 144, and 146, and portions of the documents produced in response to Requests 12-18, 23-24, 28-37, 39, 41, and 42. Portions of the responses to these interrogatories and requests for production contain confidential information regarding contracts and proposals between PEF and fuel suppliers. Public disclosure of the information in question would violate confidentiality agreements between PEF and fuel suppliers and would impair PEF's ability to contract for services such as fuel supply on competitive and favorable terms. PEF has also filed a

notice of intent to request confidential classification regarding the information and documents at issue in conjunction with its responses to Staff's fourth set of discovery, and PEF will file a formal request for confidential classification with the Commission within the time frame set forth in Rule 25-22.006, Florida Administrative Code.

2. Section 366.093(2), Florida Statutes, and Rule 25-22.006(6), Florida Administrative Code, direct that all records produced pursuant to a discovery request for which proprietary confidential status is requested shall be treated by public counsel as confidential and shall be exempt from the public records law, Chapter 119.07(1), Florida Statutes. PEF, by this motion, is seeking protection of all confidential documents and information that PEF will produce to OPC in this matter pursuant to OPC's Third Request for Production of Documents as more specifically stated above. PEF has recorded the appropriate objections to providing such confidential, proprietary business information, and will provide documents and information responsive to these requests marked as confidential subject to this motion, the law, Commission rules, and PEF's objections. By following this procedure and producing these documents and information, PEF is not waiving its right to seek further relief as necessary to make certain that its confidential, proprietary, business information is not publicly disclosed.

3. PEF further requests that in connection with the entry of a temporary protective order, the Commission also require Public Counsel to provide PEF with notice of its intent to use such confidential documents and information in connection with the hearing in this matter.

WHEREFORE, PEF requests that the Commission enter an Order granting its Motion for Temporary Protective Order relating to information identified as confidential

and produced in response to OPC's Third Request for Production of Documents,
instructing Public Counsel to continue to treat it as confidential, and requiring Public
Counsel to provide PEF with notice of its intent to use such confidential information in
connection with the hearing in accord with the prehearing order governing procedure.
