### BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of two unit power sales agreements with Southern Company Services, Inc. for purposes of cost recovery through capacity and fuel cost recovery clauses, by Progress Energy Florida, Inc.

DOCKET NO. 041393-EI

SERVED: May 10, 2005

# PROGRESS ENERGY FLORIDA'S MOTION FOR LEAVE TO FILE REVISED SUPPLEMENTAL TESTIMONY

Progress Energy Florida ("Progress Energy" or the "Company"), hereby moves the Prehearing Officer for leave to file the supplemental testimony and exhibit of Samuel S. Waters proffered with this motion. In support, Progress Energy states:

- 1. On April 15, 2005, Progress Energy filed the direct testimony and exhibits of Samuel S. Waters. Since the filing of Mr. Waters' testimony, it has come to the Company's attention that certain inputs to Mr. Waters analysis of cost savings during the term of the Unit Power Sales Agreements at issue were incorrect. The purpose of Mr. Waters' supplemental testimony is to provide a revised estimate based on an updated analysis with corrected inputs. These revisions do not change any of the conclusions stated in Mr. Water's direct testimony.
- 2. The Company seeks to file the supplemental testimony and exhibit of Mr. Waters to ensure that the record reflects accurate information.
- 3. Undersigned counsel has contacted counsel for intervenor and has been advised that intervenor opposes this motion. Undersigned counsel attempted but was unable to contact Staff counsel regarding Staff's position on this motion.

04569 MAY 10 B

WHEREFORE, Progress Energy respectfully requests that the Prehearing Officer grant the Company leave to file the revised supplemental testimony and exhibit proffered with this motion for consideration at hearing in this docket.

Respectfully submitted, this

day of May, 2005.
