Re: Docket No. 050272-WU - Application for Amendment of Certificate No. 427-W to Add Territory in Marion County by Windstream Utilities Company.

Dear Mr. Deterding:

Staff has reviewed the above referenced application for Windstream Utilities Company. Please complete the following deficiencies to clarify the application.

1. As required by Section 367.045(1)(a), Florida Statutes, and Rule 25-30.030, Florida Administrative Code, the utility must provide notice of the application and provide affidavits that the notice was given. The notice must be published once in a newspaper of general circulation. The applicant indicates that the proof of noticing in the newspaper will be a late-filed exhibit. Please submit the proof of noticing once it is completed.

2. As required by Rule 25-30.036(3)(p), Florida Administrative Code, the utility must provide the applicant's current certificate for possible amendment. The certificate was not included in the application.
