Re: Docket No. 050281-WS - Application for an increase in wastewater rates by Plantation Bay Utility Company in Volusia County

Dear Mr. Friedman:

We have received your letter dated May 23, 2005, which indicates that your original request for approval for Plantation Bay Utility Company (Plantation Bay) to use an historical base year ended December 31, 2004 should have been for both the water and wastewater systems. Your request to amend the original test year approval letter to include the water system is approved. All other aspects reflected in the May 3, 2005 test year approval letter are unaffected. As stated previously, the MFRs should be received by September 1, 2005.

Sincerely,

A handwritten signature in black ink, appearing to read "Braulio Baez".
