Re: Docket No. 050486-EI  
Petition for Approval of Optional Budget Billing Program for GS-1 Rate  
Customers by Florida Power & Light Company

Dear Ms. Draper:

Florida Power & Light Company (FPL) filed the above-referenced Petition with the Florida Public Service Commission (the Commission) on July 14, 2005.

This item was to be considered at the Commissions regularly scheduled Agenda Conference on September 6, 2005 consistent with Section 266.06, Florida Statutes. The September 6, 2005 conference was cancelled.

Please be advised that by this letter FPL waives its rights under the statute to receive from the Commission, within 60 days of filing, a reason or written statement of good cause for withholding its consent with respect to the Petition, and further that FPL will not deem the above-referenced Petition to be approved by the Commission until such time as the Commission may enter an order so approving it.

Please call me if you have any questions.

Very truly yours,

s/ Bryan S. Anderson
