Moves to

**Effective  
December 1, 2005**

**To All Customers of  
Carolina Power & Light Company/  
Progress Energy – Carolinas**

The VACAR transmission providers currently use Areva JTSIN OASIS services which are maintained and operated by the ISO-New England. As of December 1, 2005, Open Access Technology International (OATI) will become the VACAR OASIS service provider.

This change affects reservations made on the OASIS by customers of Carolina Power & Light Company/Progress Energy-Carolinas. This does not affect Progress Energy-Florida customers on FLOASIS.

For information on how to gain access to the new VACAR OASIS service, please contact:
