(Continued from Page 2)

***Street Lighting Rental:*** Public street lighting and highway lighting may be installed on existing wooden, metal, and concrete poles for customers, incorporated cities, and other governmental authorities. The energy charge in any billing month hereunder shall be increased or decreased by an amount per kilowatt hour as may be necessary to accommodate the increased or decreased cost of bulk electricity purchased by the City.

***Lighting Substitute:*** The City may at its option substitute mercury vapor lighting with high pressure sodium lighting or any other type of lighting that meets or exceeds the rated lumens output of the mercury vapor fixture; however, if such substitution takes place the monthly rate will not be changed at that time.

**Minimum Bill** – not applicable.

**Term of Service** - As provided herein and amended by the Council.

**Bulk Power Cost Adjustment** - See “Bulk Power Cost Adjustment Clause” beginning on Sheet No. 18.0
