**Re: 050820-WS - Application for amendment of Certificates 611-W and 527-S to extend water and wastewater service areas to include territory in Charlotte County by MSM Utilities, LLC.**

Dear Ms. Louwsma:

Thank you for your letter regarding the application filed in the above-referenced docket. In your letter, you indicated that you object to MSM Utilities' application for amendment of its certificates to provide water and wastewater service.

Subsequent to receiving your letter, MSM Utilities filed an amendment to its application with the Public Service Commission. The amended application removed certain territory from its proposed water and wastewater service area, including the territory in which you are located. Therefore, you will not be within MSM Utilities' water and wastewater service territory.

If you have any questions, you may contact me at (850) 413-6189.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jennifer Rodan".
