Exactly, thanks. I only caught it when they submitted the name change.

We won't correct that now, since it's essentially "history" with this name change, but will be sure the current name is correct.

Okay?

No comma should have been in the original registration either.

-----Original Message-----From: Kay Flynn Sent: Wednesday, January 12, 2005 9:00 AM To: Toni McCoy Subject: Saturn again

Toni, I see now that you don't include commas before the "Inc." but there is a comma in the current name in MCD. I'll update the title to show no comma in the new name.

Let me know if questions.

Kay
