Thank you.

I will print and use this e-mail to open a docket for the IXC cancellation, and place the letter in the new docket.

Kay,

This appears to be the cancellation request. The prior docket didn't request cancellation, just a waiver to move its customer base with slamming rule protections to the acquiring company.

I believe a cancellation docket for Adelphia (TI700) needs to be opened based on this letter.

Melinda, pls see the attached letter we received from Adelphia, which we put in the undocketed.

Should we have canceled their IXC registration in Docket 050836-TI?

Kay

(Kim, et al., pls be sure this filing gets re-routed from 050377 (closed dkt) to 060000. Thanks.)
