In re: Petition for issuance of a storm recovery financing order, by Florida Power & Light Company. | DOCKET NO. 060038-EI
ORDER NO. PSC-06-0266-PCO-EI
ISSUED: April 3, 2006

ORDER GRANTING INTERVENTION

By petition dated March 21, 2006, the Federal Executive Agencies ("FEA") requested permission to intervene in this docket. In its petition, the FEA state that they consist of certain agencies of the United States Government which have offices, facilities, and/or installations in the service area of Florida Power & Light Company ("FPL"), the utility that has filed for recovery of costs in this docket, and that these offices, facilities, and/or installations purchase electricity from FPL. The FEA state that these offices, facilities, and/or installations, include, among others, large users such as Patrick AFB, Cape Canaveral AFS, and Kennedy Space Center. The FEA assert that electricity costs represent one of the largest variable expenses of operating the Federal offices, facilities, and installations on whose behalf they seek intervention, and that all will be significantly affected by any action this Commission takes in this docket. Thus, the FEA assert that they have a substantial interest in the proceedings in this docket.

Having reviewed the FEA's petition to intervene, it appears that the FEA's substantial interests may be affected by this proceeding. No response was filed in opposition to the petition, and the time for filing such a response has elapsed. Therefore, the petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, the FEA take the case as they find it.
