Subject: Docket 060120 or new docket?

Hi Ray,

We have received a letter from Comcast Business Communications, LLC (DN 04129-06). It appears that they are wanting to use their former fictitious name which they just received approval to have removed in closed Docket 060120. Should this new request be set up as a new docket? I have placed it in Docket 060000 for now, but will certainly move it to Docket 060120 or a new docket at your request.
