Re: Petition for approval of standard offer contract for small qualifying facilities and producers of renewable energy, by Tampa Electric Company; FPSC Docket No. 050810-EQ

Dear Mr. Keating:

On September 5, 2006 we submitted for administrative approval tariff sheets implementing the Commission's decision in Order No. PSC-06-0486-TRF-EQ issued June 6, 2006. That order was later the subject of a petition for formal hearing and for leave to intervene by the Florida Industrial Cogeneration Association. In light of that request, this is to advise that Tampa Electric Company waives the 60-day time clock in Section 366.06, Florida Statutes, for Commission action on the company's September 5, 2006 filing pending disposition of FICA's request.

Sincerely

James D. Beasley
