**Docket** 070253-T1

**Application to Cancel  
Certificate of Public Convenience and Necessity**

COMES NOW, Ripple Services, Inc. ("Ripple") and in support of its Application to cancel its Registration as an intrastate interexchange provider states the following:

1. On May 25, 2006, Ripple registered with the Florida Public Service Commission to provide intrastate interexchange telecommunications service which Registration was issued on May 26, 2006 in Docket No. 060377-T1.
2. Due to a change in the business direction of the company Ripple no longer seeks to be a provider of intrastate interexchange telecommunications services within the State of Florida.
3. Since the filing of the registration, Ripple has not provisioned service nor invoiced customers in the State of Florida. As a result, cancellation of Ripple's Registration is reasonable and would not be unduly disruptive to the present or future public convenience.

NOW THEREFORE, by filing this verified Application, Ripple Services, Inc. seeks the entry of an Order by the Florida Public Service Commission ("Commission") canceling and terminating both its Registration and tariff effective with the date of such Order of the Commission.

Respectfully Submitted,
