Dorothy:

In my opinion the RCC from Gulf should be in the same docket (Dkt 070182) as it springs from the same review of IOU deposit procedures.

Hi David,

I am of the understanding that Lisa is out of the office today, so I'm defaulting to your expertise. We have received another request for confidential classification. This one is from Gulf Power Company (GPC) and it "sounds" like it should be placed in the new docket we just set up based on TECO's request for confidential classification (Docket 070182). Would you like to come take a look at this one, or would you rather that I put it in undocketed matters until Monday?

Thanks for your help!

Dorothy
