Subject: Docket No. 070381-SU Harder Hall - Howard, Inc.

Dorothy,

The application in this docket is for the transfer of the wastewater facilities from the utility to the City of Sebring. The actual application was unclear as to whether the transfer was for part or all of the facilities. Mr. J. Michael Swaine verified that the entire utility facilities, excluding the wastewater treatment plant, were transferred to the City. Since the system has been interconnected with the City and the wastewater treatment plant is being dismantled, the title of the docket should be modified to read "cancellation of" instead of "amendment of" the Certificate.

Should you have any questions, feel free to contact me.

Thank you.

Stephanie
