CUSTOMER NOTICE

ISSUED: July 16, 2007

On December 7, 2006, Utilities, Inc. of Florida (**Utility**), completed its application to the Florida Public Service Commission (**Commission**) for increased water and wastewater service rates, in which it requested an interim rate increase for all counties except Marion, and a final water and wastewater rate increase of 47.06% and 44.64%, respectively. The Commission approved an interim rate increase subject to refund with interest by Order No. PSC-06-1006-FOF-WS, issued dated December 5, 2006 (Interim Rate Order).

At the Agenda Conference held on May 22, 2007, the Commission took action on the Utility's Application. By Proposed Agency Action Order No. PSC-07-0505-PAA-WS (PAA Order), issued June 13, 2007, the Commission proposed to approve a rate increase in Pasco, Pinellas and Seminole Counties, no rate increase in Orange County, and a rate reduction in Marion County. The Utility will make refunds with interest for Orange, Pasco, Pinellas and Seminole County water rates. For the Pasco County and Seminole County interim wastewater revenues, no refund is required. These rates were designed to allow the Utility the opportunity to recover its reasonable and prudent costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such water and wastewater service. The Commission also approved an increase in the Utility's miscellaneous service charges.

The protest period expired on July 5, 2007, and neither the Utility nor anyone else protested the PAA Order. Therefore, a Consummating Order, Order No. PSC-07-0566-CO-WS, was issued on July 9, 2007, and the PAA Order and Rates were finalized. The increased rates and charges are effective for service on or after July 21, 2007.

The original rates, the interim rates, and the newly approved rates for water and wastewater service are attached to this customer notice.

Sincerely,

Utilities, Inc. of Florida
