Shannon, we have a copy of the letter to the company from Tim for the docket file. The letter references 050586, but I believe it should reference 060406, since 050586 is the company's closed SARC docket. Can you check this?

Thanks.

In regards to the phone message I left you earlier, please see the information contained in this E-Mail. This petition was originally sent to Tom Ballinger and has his group (ECR) as the OPR. Actually, CMP should be the OPR. Thanks!

CONSUMER COMMENTS

To put you in the picture - Ken Knowlton and his sewer plant has "TROUBLE" on a daily - 1st years.

After having DEP, Health Dept etc nothing was changed, it has remained a night mare. Sewer backup in our home causing extensive damage and many damages to bathroom closets and bedroom. All because

Ken would not purchase a back-up generator we had money to contact him for 3 days. No - Tim delay or how can I repay you, just madness The last

pay increase he got was supposed to go in a person for repair long overdue to be done. He DID NOTHING now he wants more money - for what I'd like.

Ok now, you can be sure he will do nothing re-repairs

Over the years I've been totally associated with much damage in my yard to trees plants and lawn sewage running under my house carpet lawn down into the Rd. This has also happened to my two close neighbors

Fold and tape - see back for address

If you can do anything to help or to improve things I'd be shocked I am Shirley Meadams
