Mary,

While reviewing the above recommendation, I found a scrivener's error in the issue identification and recommendation statement for Issue 1. To wit, FPSC Order No. PSC-96-0012-FOF-TL is shown as PSC-06-0012-FOF-TL. I would like to make an oral modification when I introduce this item at the August 28, 2007 Agenda Conference.

If this is acceptable, I would like to notify the Commissioners' aides and CCA of the oral modification at the earliest opportunity.
