**NOTICE TO CUSTOMERS OF CHANGE IN RATES OF
NORTH FORT MYERS UTILITY, INC.**

On October 20, 2006, Del Tura Phase I, LLC d/b/a Del Tura Utilities (**Del Tura**) and North Fort Myers Utility, Inc. (**NFMU**), filed a joint application for transfer of Del Tura's wastewater facilities to NFMU and for authority to charge the Del Tura customers the rates and charges approved for NFMU customers.

At the Agenda Conference held on April 24, 2007, the Commission took action on NFMU's Application. By Proposed Agency Action Order Approving Limited Proceeding For Change in Rates and Charges and Final Order Approving Transfer, Order No. PSC-07-0419-PAA-SU (**Order**) issued May 14, 2007, in Docket No. 060698-SU, the Commission approved the change in rates (upon interconnection with NFMU's wastewater system) and the transfer of the wastewater facilities. The Proposed Agency Action portions of the Order were finalized by Consummating Order No. PSC-07-0487-SU, issued on June 8, 2007.

The interconnection will be made by the end of September, 2007, and the approved NFMU rates will be effective for service on or after October 12, 2007.

The Del Tura rates prior to the Order and the NFMU approved rates for wastewater service are as follows: (The rates approved in the Order were increased pursuant to implementation of a price index increase as allowed by Section 367.081 (4) (a), Florida Statutes.)
