PREHEARING CONFERENCE: The purpose of this prehearing conference is to: (1) simplify the issues; (2) identify the positions of the parties on the issues; (3) consider the possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof; (4) identify exhibits; (5) establish an order of witnesses; and (6) consider such other matters as may aid in the disposition of the action.

HEARING: The purpose of this hearing is for the Commission to take final action to determine the need, pursuant to Section 403.519, Florida Statutes, for Florida Power & Light Company's (FPL) proposed expansion of its nuclear power plants in Dade and St. Lucie Counties, and to consider any motions or other matters that may be pending at the time of the hearing. The Commission may rule on any such motions from the bench or may take the matters under advisement. This proceeding shall: (1) allow FPL to present evidence and testimony in support of its petition for a determination of need for its proposed nuclear power plants; (2) permit any intervenors to present testimony and exhibits concerning this matter; (3) permit members of the public who are not parties to the need determination proceeding the opportunity to present testimony concerning this matter; and (4) allow for such other purposes as the Commission may deem appropriate.

Any member of the public who wishes to offer testimony should be present at the beginning of the hearing on Monday, December 10, 2007. By providing public testimony, a person does not become a party to the proceeding.
