Good morning Dorothy Menasco

That will go into the Docket file. It is part of the certification package that was filed on 4/11/08, document no. 02828-08 that went over to Dept. of State and then when they certify it and I have the order issued which was done on 4/14/08 document no. 02840-08 I will send down a copy of the certified package where DOS has stamped it. So you can put it behind that certification package or the order, it shouldn't matter. Okay? That is some material that should have went over with the certification package but Richard did not include it so it was done the other day.

Good morning Richard,

On Tuesday, 6/10/08 a document was placed on CLK's counter with a sticky note requesting the document be placed in Docket file for 070642. Ruth advises she spoke with you and that it is an attachment to an order. Were you the person that filed this document? If so, what order is this an attachment to? As it stands on it's own, with no memo, we don't know who filed it, or what it is that is being added to the document. If you could provide some extra information, we'll get that entered ASAP. I need to enter it as soon as possible so that we can start on today's document filing entries. Thank you for your help!

Dorothy
