Hi Diamond,

Thank you for bringing this to our attention. I called and confirmed the suite number with Gunster Law Firm's receptionist. She advises they moved. That's why we've seen both addresses on the correspondence at different times. I have updated everything I can find with regard to Gunster Law Firm in CMS.

Have a good afternoon!

Subject: Address of Party in 090538-TP

Good morning Dorothy. I was just updating a companies contact person on some mailing labels here in GCL. I wanted to double check the address. So in CMS it has Matthew Feil, with Gunster Law Firm as Suite 618, however, on an efilng that was filed on April 24th, (02593-12) and on several other documents in the file it lists his suite as Suite 601. I was wondering what would have to be done for it to be changed in CMS? Thank you for all your help!

Thank you,

Sorry for the typo. It should have been 090538.

Please update the contact info on that Lifeline docket. We will not be sending a letter to the parties on that one.

Hi Matt,

I'm following-up on the document numbers below. Docket 090528-TI is a closed docket related to waiver of carrier selection requirements between two different companies. Should that request have been for Docket 090538-TP?

I also found Docket 080234-TP - Implementation of Florida lifeline program involving bundled service packages and placement of additional enrollment requirements on customers. tw telecom is listed as an "interested person" in that docket. Please confirm whether or not that information should be updated as well.

Thank you for your help.

Dorothy,

Hey. I represent tw telecom of florida, l.p. Their main contact person is Carolyn Ridley (former name Carolyn Marek). Anyway, the tw telecom office has moved. So, the address that y'all have for tw telecom -- 555 Church Street, Suite 2300, Nashville, TN 37219-2330 -- needs to be changed. Here is the new contact information.

Carolyn.Ridley@twtelecom.com

Carolyn's email address, phone number and title are all the same as before, but I sent that along in case you asked! Only the address for the office has changed.

Anyway, please change the contact info you have for tw telecom to reflect the new address in Bowling Green, KY. Let me know if you have any questions.

Since tw telecom is a party in a few open dockets, we will have to separately notify the parties in those cases of the new address.

Thanks.

Hi Jerry,

According to our records, Vicki Kaufman of Keefe Law Firm has been receiving the appropriate filings as a party in Docket 000121A.

Normal procedures are that if staff or GCL has already faxed or mailed copies of notices to parties and interested persons, we get the hard copy for the docket file. If staff or GCL has not faxed or mailed anything and would like CLK to issue the notice, that document is to be copied to GCOrders and an e-mail sent to "CLK - Orders / Notices" advising there is a notice to be issued. Since we received this notice (DN 06035-09) in hard copy, it was document numbered and placed in the docket file per those procedures. If this document should be issued, please provide us with a memo requesting that DN 06035-09 be issued today and we will do so.

For the amended notice below, there is no indication on the memo that GCL saw the notice before it was filed with our office, nor is there any indication that GCL was copied on the notice. I am also unsure whether or not an amended FAW notice is necessary/required. I am waiting on a call from Adam Teitzman for assistance in this matter.

This message will be placed in Docket correspondence - Parties and Interested Persons.

Re: Docket No. 000121A - Investigation into the establishment of operations support systems permanent performance measures for incumbent local exchange telecommunications companies. (AT&T FLORIDA TRACK)

Dear Ms. Cole:

The purpose of this letter is to request two changes to the Parties of Record and Interested Parties lists for the above-mentioned docket. The first is to remove my name from the mailing list as a party of record for FDN Communications. I would like to be added to the mailing list as an interested person at the following address:

Akerman Senterfitt
106 East College Avenue, Suite 1200
Tallahassee, FL 32301
PH: 850-425-1614; FAX: 850-222-0103
matt.feil@akerman.com

*Dme
12/22/08*

The second is to inform you that FDN is no longer a certificated entity in Florida after a series of mergers with NuVox in 2007. NuVox is successor in interest to FDN and therefore should be the substitute party for FDN. The address for NuVox as a party to the case is as currently shown in the docket file but the contact should be Mary Conquest, not Mary Campbell.

Thank you for your assistance in these matters. If you have any questions you can reach me at 850-425-1614.

Sincerely,

Matthew Feil

Don, thank you for finding the entry. I will go ahead and delete Katz Kutter Law Firm, based on the request we received from Lisa Malwitz. Apparently, there was a merger of Katz Law Firm and Akerman. I see that Akerman is listed in Docket 000121A, so it only makes sense to remove Katz from the docket mailing for less confusion for Ms. Lisa Malwitz from Akerman Law Firm. Ms. Ann, do you agree with this decision?

Don, I researched the specific Docket, 000121A, and there is no listing for Charlie Pellegrini. I then went to MCD, (just in case), to find an entry with Akerman/Pellegrini and only found Akerman, Feil, and Keating. The fax number is verified to be Akerman's fax number(222-0103). Can you please help me track down Akerman, Pellegrini? Thanks, Don.

NOTICE OF PROPOSED AGENCY ACTION
ORDER ACCEPTING STIPULATION

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

I. Case Background

By Order No. PSC-01-1819-FOF-TP, issued September 10, 2001, in Docket No. 000121A-TP, this Commission adopted a Performance Assessment Plan for the purpose of monitoring performance levels of Operations Support Systems (OSS) provided to CLECs. The performance measurement plan provides a standard against which CLECs and the Commission can measure performance over time to detect and correct any degradation of service provided to CLECs. AT&T's performance measurement plan also includes a Self-Effectuating Enforcement Mechanism (SEEM) remedy plan. The Order also recognizes our vested authority, per section 364.01(3), Florida Statutes, to provide regulatory oversight necessary to ensure effective competition in the telecommunications industry. This docket has remained open since that time to address issues and concerns arising from OSS performance.

Following the BellSouth and AT&T merger, AT&T began plans to consolidate the operations support systems (OSS) of the two companies. AT&T started the process of providing official notification to CLECs of its OSS consolidation plans (known as the 22-State OSS

Release) over a year ago. The 22-State OSS Release plan involves a phased-in approach. The first phase commenced with the April 19, 2008 release ("April Release").

On May 12, 2008, Cbeyond Communications, LLC (Cbeyond), Time Warner Telecom, LP (TWTC), and DeltaCom, Inc. (Deltacom), jointly referred to as the petitioners, filed a petition with the Commission requesting an audit of the April Release. The petition also requested a stay of CLEC-impacting OSS Releases and that we issue a Show Cause Order requiring AT&T to explain in detail the circumstances surrounding the April Release and explain why AT&T should not be penalized for its failure to appropriately implement the April Release.

On May 15, 2008, our staff held two informal workshops with AT&T, the petitioners, and other participating CLECs to discuss issues surrounding the current and future OSS releases. During the meetings, AT&T acknowledged that a variety of CLEC-impacting issues arose in connection with the April Release. Furthermore, AT&T made several commitments to address and resolve the issues and to prevent similar occurrences in future OSS releases. AT&T memorialized the list of commitments in a filing with this Commission on May 27, 2008.

On June 2, 2008, AT&T filed a response to the CLECs' May 12, 2008 Complaint. In the response, AT&T attached the list of commitments to resolve the remaining issues associated with the April Release. Included in the list is the temporary suspension of future 22-State OSS releases, expanded customer support and communications, expanded testing for future OSS releases, and provision of proactive billing adjustments related to the April Release. AT&T stated that it has used, and continues to use, best efforts to resolve such issues, and it expects to resolve any known, remaining April Release issues by the end of June 2008. AT&T requested that we issue an order dismissing the CLECs' petition.¹

On June 5, 2008, the petitioners filed a response requesting that we deny AT&T's request to dismiss.

II. Jurisdiction

We are vested with jurisdiction over this matter pursuant to Sections 364.01(3) and (4)(g), Florida Statutes. Pursuant to Section 364.01(3), Florida Statutes, the Florida legislature has found that regulatory oversight is necessary for the development of fair and effective competition in the telecommunications industry. To that end, Section 364.01(4) (g), Florida Statutes, provides, in part, that this Commission shall exercise its exclusive jurisdiction in order to ensure that all providers of telecommunications service are treated fairly by preventing anticompetitive behavior. Furthermore, the FCC has encouraged the states to implement performance metrics and oversight for purposes of evaluating the status of competition under the Telecommunications Act of 1996.

¹ AT&T did not file a Motion to Dismiss but rather a response to the CLECs' petition requesting an order dismissing the petition.

III. Analysis

Stipulation

On April 19, 2008, AT&T implemented a software release titled Release 27.1 (April Release) in the nine state former BellSouth region as part of AT&T's 22-State OSS consolidation plan. Since April 19, 2008 the petitioners and numerous other CLECs, have experienced a severe impact in their ability to interface with AT&T's OSS. Specifically, the CLECs reported that they had not received order confirmations, requests for order clarifications, disconnection notices, rejection notices, and communications related to meetings at the customer premises for installations for a period of time following the release. CLEC orders submitted to AT&T during this timeframe were adversely affected by this release.

At a May 7, 2008, AT&T Change Control Process meeting between AT&T and participating CLECs, AT&T admitted that problems occurred with the April Release. At the meeting, AT&T provided a detailed chronology of events that occurred the first two weeks after the April release. AT&T acknowledged that outgoing transactions, clarifications and rejections were not being delivered to CLECs. AT&T also acknowledged that a backlog of orders in the manual processing center occurred due to outages and instability of the system used by the AT&T representatives in the company's manual processing center. In subsequent Change Control Process meetings, AT&T identified additional issues associated with the release. Most notably over 200,000 billing completion notices and 12,000 completion notices had not been properly delivered to CLECs in the region.

On May 15, 2008, AT&T participated in two informal workshops with our staff to discuss issues surrounding the April Release and AT&T's plans for future OSS Releases in the Southeast region. At the workshop, and in response to the petition, AT&T acknowledges that a variety of CLEC-impacting issues arose in connection with the April Release in the Southeast region and that such issues primarily impacted CLECs' ability to timely receive outbound transmissions from AT&T in certain situations. AT&T asserts that it has used, and continues to use best efforts to resolve such issues, and expected to resolve any known, remaining April Release issues in June. AT&T also asserted that it would continue to communicate the status of such issues to all CLECs in a timely and informative manner.

At the workshops, AT&T estimated that 71,000 orders in the nine state region were negatively affected by the April Release. Of these orders, AT&T stated that 59,000 were electronic orders, and 11,000 were backlogged manual orders. The CLEC petitioners describe this April Release as the most significant competitively damaging OSS failure in the State of Florida since enactment of the Telecommunication Act of 1996.

In a June 30, 2008 response to a staff data request, AT&T reported that there have been 229 identified software defects open from the April Release, 125 of which have had a direct impact on CLECs. Below is a chart detailing the severity of the April Release defects.

ORDER NO.PSC-08-0618-PAA-TP

 PAGE 4

April Release Defect Status As of June 30, 2008

	Critical	Major	Average	Total
CLEC Impacting Defects	58	41	26	125
Non-CLEC Impacting Defects	31	53	20	104
Total CLEC/Non-CLEC Impacting Defects	89	94	46	229

In response to the May 15, 2008 workshop, AT&T provided a list of commitments to resolve the open issues associated with the April Release. At our staff's request, AT&T memorialized the commitments made during the May 15th meeting. AT&T states that the disruption to the normal processing of CLEC ordering was the result of a series of unexpected events including hardware, software, and network issues. AT&T contends that there was no total breakdown of AT&T's OSS. AT&T intends to address and resolve the April Release issues and implement process improvements that should reduce the likelihood of issues of this magnitude arising in connection with future 22-State OSS Releases in the Southeast. AT&T also committed to keeping our staff and interested CLECs informed of its efforts.

In the current petition, the CLECs requested an independent audit be conducted that focuses on the cause of the OSS failures. In its June 2, 2008 Response, AT&T denies that an independent audit of the April Release is necessary. AT&T states that it has provided, and will continue to provide, information and explanations regarding the April Release, and has fully supported CLEC requests for status, escalation, and assistance. AT&T also states that it will continue to respond to CLEC inquiries through individual customer support and weekly conference calls opened to all CLECs.² AT&T asserts that its internal review and expanded test plan will include any necessary root cause analysis of the April Release issues.

A conference call was held between our staff and the parties on July 31, 2008 exploring the possibility that the audit be conducted by Commission staff. After further discussions, on August 5, 2008, the parties agreed to the audit being conducted by our staff and entered into the attached stipulation (Attachment 1). The scope of the audit would be to:

- Document and assess AT&T's root cause analysis of the April Release.
- Document and assess AT&T's defect resolution associated with the April Release.
- Document and assess pre-release and post-release communications.

The stipulation also states the petitioners will file a Motion to Dismiss the request for an independent audit and request that we hold the remaining portions of the complaint in abeyance

² Weekly conference calls began May 12, 2008 and ended July 15, 2008.

pending a vote on our staff's recommendation addressing the final audit report.³ Following the filing of this Motion, AT&T agrees to refrain from implementing future 22-State OSS releases until the earlier of our vote on the final audit report and our staff's recommendation or a mutually agreeable timeframe.⁴

IV. Decision

Upon review of the parties' stipulation, we accept the stipulation regarding the audit of AT&T Florida's April OSS Release as set forth in Attachment 1. This Order will become final upon issuance of a Consummating Order if no person whose substantial interests are affected timely files a protest within 21 days of the issuance of this Order. This docket shall remain open pending the conclusion of the audit and for purpose of future performance measure monitoring.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the stipulation between Cbeyond Communications, LLC, Time Warner Telecom, LP, DeltaCom, Inc. and BellSouth Telecommunications, Inc. d/b/a AT&T Florida regarding the audit of AT&T Florida's April OSS Release as set forth in Attachment 1 is hereby accepted. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto.

³ The remaining portions of the complaint include delaying future 22-State OSS releases and requesting a show cause proceeding of why AT&T should not be penalized for its failure to appropriately implement the April Release.

⁴ To the extent the parties disagree with staff's audit recommendations or further guidance is needed, a vote from the Commission may be necessary.

AT&T FLORIDA'S APRIL OSS RELEASE**

This Agreement Regarding Audit of AT&T Florida's April OSS Release ("the Agreement") is entered into by and between BellSouth Telecommunications, Inc. d/b/a AT&T Florida ("AT&T Florida" or "AT&T"), and Cbeyond Communications, LLC ("Cbeyond"), tw telecom inc. ("twte") and DeltaCom, Inc. ("DeltaCom") (collectively "the Parties").

WHEREAS, on May 12, 2008, Cbeyond, twte, and DeltaCom (collectively, "the Petitioners"), filed a complaint against AT&T Florida with the Florida Public Service Commission ("Commission"), wherein the Petitioners requested, among other things, for the Commission to commence an independent audit of the April Release and to prohibit

(or stay) AT&T from implementing any further *CLEC*-impacting OSS releases until AT&T implements the recommendations of the requested independent audit ("the Complaint");

WHEREAS, AT&T Florida responded to the Complaint on June 2, 2008, wherein, among other things, AT&T Florida denied the necessity of an independent audit of the April Release;

WHEREAS, on May 27, 2008, AT&T Florida filed a list of voluntary commitments made on May 15, 2008, in connection with the April Release, including the commitment to "temporarily suspend [the] next three planned releases for implementing 22 State Pre-Order and Ordering capabilities into the SE region ("scheduled or future 22 State Releases") pending completion of certain remedial measures, i.e.: resolution of severity 1 and 2 defects resulting from the April Release; expanded customer training and communications; and development of an expanded Test Plan to address April Release defect issues ("May 15 Commitments").

WHEREAS, commencing with meetings held on May 15, 2008, the Commission Staff has been conducting a thorough investigation of the April Release;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the adequacy of which is acknowledged by Parties, the Parties agree as follows:

agree that the Commission Staff shall conduct an audit of the April Release in accordance with applicable Florida law, which shall include, at a minimum, appropriate and necessary safeguards to protect the disclosure of any proprietary and confidential information that may be reviewed in connection with such audit and/or may be contained in any final Commission Staff audit report or recommendation.

- Documentation and assessment of software defect resolution associated with the April Release
- Documentation and assessment of pre-April Release and post-April Release CLBC communications

4. No later than ten (10) days following the commencement of the Commission Staff's audit of the April Release, the Petitioners agree to file a motion: (i) dismissing with prejudice the Complaint's request for an independent audit of the April Release; and (ii) requesting the Commission to hold the remaining portions of the Complaint in abeyance pending the Commission's vote upon the final audit report and

PARTIES

Kim,

I just spoke with Ms. Klindworth and was advised that she did not include docket 000121A-TP in her request that we received on 5-10-07 (copy of which was given to you that had several dockets listed) at that time I also updated MCD. I notice that the Company Code in TX237 in this docket was not updated per your automatic e-mail that you receive from MCD. Please correct that as their mail is going to the wrong address in this docket. Also, Ms. Klindworth will check with Mr. Diamond to see if he wants to have Ms. Davis's name added to the docket as an interested person and advised in writing as to that request. Advised Ms. Klindworth that if we add Ms. Davis to the docket, that she will receive information either by mail or fax, no e-mail. Main thing is to update Company Code TX237 (last update that you did on this in the docket was 7-17-06.)

Ms. Klindworth, I have forwarded this on to Kim Pena for handling the dorrection is the above docket.

As discussed, please use the d/b/a of "AT&T Florida" as the mailing name for BellSouth Telecommunications, Inc. The d/b/a of "AT&T Florida" and the d/b/a of "AT&T Southeast" were both approved by FPSC Order No. PSC-07-0114-FOF-TP, but for correspondence purposes in Florida, the "AT&T Florida" d/b/a should be used.

If you have any questions, please let me know.

Hi Ann,

I have attached correspondence that I got from FPSC. Apparently, they never rec'd this check. I spoke with Kay Flynn at PSC (850-413-6744) and she said they rec'd a payment on 10-18 for \$12,100 & in Sept \$10,650. None of their information has changed. I will follow up with you tomorrow if I haven't heard anything from you. I told Kay Flynn I would give her a status check asap.

Thank you.

If you have any questions please do not hesitate to call me 850-222-9380

> BellSouth by the attached is requesting a deferral of item 7 scheduled for the August 19th Agenda. Because of the limited time before the agenda, I am sending this in E-Mail to give the Commission and Staff as much notice as possible (this has been verbally discussed with Staff). I will be filing the original hard copy of the request at the clerk's office by lunchtime.

Subject: Docket No. 000121A-TP Investigation into the Establishment of Operations Support Systems Permanent Performance Measures for Incumbent Local Exchange Telecommunications Companies (BellSouth Track)

Dear Ms. Bayó:

BellSouth Telecommunications, Inc. requests that the Florida Public Service Commission Staff's recommendation in Docket No. 000121A-TP scheduled as Item No. 7 on the Commission's August 19, 2003, Agenda, be deferred until a future agenda, to be determined at a later date.

The Staff's recommendation proposes a very intricate process to incorporate a severity component into the Self-Executing Enforcement Mechanism (SEEM) that is used by BellSouth. BellSouth would like to have additional time to analyze the impact of this proposal. We would also like to have time to discuss the concept with the Competitive Local Exchange Carriers (CLECs).

We have not spoken with all of the CLECs, but we have spoken with AT&T, and they indicated that a deferral would be appropriate.

We would appreciate your positive consideration of our request. Please let me know if you need any additional information.

Yours truly,

Nancy H. Sims
