Re: West Lakeland Wastewater, Inc.; Docket No. 070466-SU  
Our File No. 38079.01

Dear Mr. Revell:

As we discussed earlier today, I am writing to you to let you know that the Utility is paying \$200 per month flat rate as contract labor for a meter reader to read all of the Utility meters on a monthly basis. The Utility has been incurring this for two years. They have recently begun utilizing a mature woman who has shown herself to be very dependable. This cost should be recognized in addition to the other costs requested in our original application in the above-referenced matter, since the charges from the billing contractor do not include meter readings.

If you need any further information or have any further questions, please let me know.

Sincerely,  
ROSE, SUNDSTROM & BENTLEY, LLP
