Case Background

Aloha Utilities, Inc. (Aloha or utility) is a Class A water and wastewater utility located in Pasco County. The utility consists of two distinct service areas: Aloha Gardens and Seven Springs. In February 2005, the Commission initiated deletion proceedings in Docket No. 050018-WU for a portion of the Seven Springs service area based on a number of problems that ultimately resulted from the presence of hydrogen sulfide in the water. On March 9, 2006, after several months of extensive negotiations in which staff participated, a Settlement Agreement was executed by Aloha, the Office of Public Counsel (OPC), and individual intervenors. The Settlement Agreement resolved all outstanding dockets and court proceedings between Aloha and the Commission, and was approved by the Commission by Order No. PSC-06-0270-AS-
