Re: Docket No. 070177-WU Staff Assisted Rate Case for LWV Utilities, Inc., in Pasco County

Dear Mr. Weeks:

On December 4, 2007, the Commission voted on staff's recommendation dated November 20, 2007. Proposed Agency Action (PAA) Order No. PSC-07-1009-PAA-WU, was issued on December 20, 2007. The 21 day protest period expired on January 10, 2008. Therefore, the rates and charges approved by this Commission will become final. The utility must submit revised tariff pages for staff's approval before the utility can implement new rates.

Enclosed are examples of revised tariffs for this utility. Although staff has prepared revised tariffs for this utility, it is the utility's responsibility to make sure all tariffs submitted to the Commission are complete and accurate. A copy of the customer notice informing the utility's customers of the Commission's approved increase must also be submitted for staff's review and approval. After staff approves this notice, it must be mailed to customers of receipt prior to consumption at the increased rates. Staff has also included an example of a Commission approved customer notice.
