## BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In Re: Review of Florida Power & Light	)	Docket No. 070626-EI
Company's Sunshine Energy Program	_)	Filed: March 24, 2008

## FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL CLASSIFICATION

NOW, BEFORE THIS COMMISSION, through undersigned counsel, comes Florida Power & Light Company ("FPL") and, pursuant to Rule 25-22.006 of the Florida Administrative Code and Section 366.093 of the Florida Statutes, hereby requests confidential classification of certain material provided to the Florida Public Service Commission ("Commission") staff ("Staff") pursuant to the data request issued in the above referenced docket on February 15, 2008. In support of its request, FPL states as follows:

- 1. On February 15, 2008, Staff issued a data request in this docket. FPL provided several confidential responses to the data request on March 3, 2008, with a Notice of Intent to Request Confidential Classification, and additional confidential responses on March 14, 2008, with a Notice of Intent to Request Confidential Classification. Pursuant to Rule 25-22.006(3)(a), Florida Administrative Code, FPL is filing this Request for Confidential Classification to maintain continued confidential handling of those two sets of responses.
  - 2. The following exhibits are included and made a part of this request:
  - a. The highlighted, confidential materials were previously provided with the two Notices of Intent filed on March 3, 2008 and March 14, 2008. Those materials are included herein by reference as "Exhibit A."
  - b. Exhibit B consists of edited versions of all documents for which FPL seeks confidential treatment. All information for which FPL requests confidential treatment has DOCUMENT NUMBER-DATE

02174 MAR 24 8

5. Upon a finding by the Commission that the material in Exhibit A for which FPL

seeks confidential treatment is proprietary confidential business information within the meaning

of Section 366.093(3), such information should not be declassified for a period of at least thirty-

six (36) months. This material will continue to be proprietary confidential business information

after eighteen (18) months, the amount of time typically afforded for confidential classification.

This request is consistent with Commission precedent, which has ordered confidential

classification for up to thirty-six (36) months in the past. See, e.g., In Re: Request for

Confidential Classification of Florida Power & Light Company, Docket No. 971298-EI, Order

No. 99-0473-CFO-EI (Dated March 8, 1999). Therefore, confidential classification should

continue for thirty-six (36) months, and the material provided should be returned to FPL as soon

as the information is no longer necessary for the Commission to conduct its business, pursuant to

Section 366.093(4).

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the

supporting materials and affidavits included herewith, Florida Power & Light Company

respectfully requests that its request for confidential classification be granted.

Respectfully submitted,

R. Wade Litchfield, Vice President

and Associate General Counsel
