**RE: 2008 Local Competition Data Request Response w/ Confidentiality Request**

Dear Ms. Salak:

US LEC of Florida Inc. (US LEC) provides its 2008 confidential response to the Data Tables and Questionnaire (including the FCC 477) in soft copy on the attached diskette. The data is provided as **Confidential Information** under FS 364.183. **US LEC requests that all data identified in the attached Confidential Information Justification and shown in either the shaded fields in the instance of identification shading and all data in the blacked fields of the Data Tables, the Exchange Listings, and all of the responses to the questions in the Questionnaire furnished in soft copy be treated as Confidential Information in accordance with Rule 25-22.006(5)(b) because of the need to maintain secrecy of business records not available to individuals not employed by US LEC.**

US LEC is providing two redacted copies of both the Data Tables and the Questionnaire. Also enclosed is a copy of the FCC 477 that has been redacted with the application of zeros in the redacted data. The FCC currently treats all 477 data as confidential information and does not require a redacted copy. The information identified in this paragraph may be treated as public information in accordance with Rule 25-22.006(5)(a).
