Subject: Docket No. 080311-WS, Lake Suzy

There is a discrepancy in the name of the utility as recorded with the Department of State and as certificated with the Commission. As such, the application was filed with the utility name as Lake Suzy Utility, Inc. d/b/a Aqua Utilities Florida, Inc. Could you please change the docket title to reflect the name of the utility as certificated by the Commission, which is Lake Suzy Utilities, Inc. d/b/a Aqua Utilities Florida, Inc.? Since the utility's name is being changed, there is no need to have the certificated name corrected.
