STATE OF FLORIDA ) AFFIDAVIT OF GERARD J. YUPP
COUNTY OF PALM BEACH )

BEFORE ME, the undersigned authority, personally appeared Gerard J. Yupp, who, being first duly sworn deposes and says:

1. My name is Gerard J. Yupp. I am currently employed by Florida Power & Light Company ("FPL") as Senior Director Wholesale Operations in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in FPL's Request for Confidential Classification, for which I am identified on Exhibit C as the affiant. The documents and materials that I have reviewed are asserted by FPL to be proprietary confidential business information and are comprised of information concerning bids or other contractual data, the disclosure of which will impair the efforts of FPL to contract for goods and services on favorable terms to the detriments of FPL and its customers and information relating to competitive interests, the disclosure of which would impair the competitive business of FPL. Additionally, this information is comprised of trade secrets of FPL, which allow FPL to purchase and sell fuel and electric power on favorable terms for FPL and its customers. The disclosure of that trade secret information would provide other participants in the fuel and electric power markets insights into FPL's marketing and trading practices, the disclosure of that information would impair FPL's ability to negotiate, to the detriment of FPL and its customer.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
