**Issue 1:** Should the Commission authorize Florida City Gas to use deferral accounting and to create a regulatory asset to record certain charges incurred by the Company due to union decertification by FCG union employees?

**Recommendation:** Yes. The Commission should authorize Florida City Gas to use deferral accounting and to create a regulatory asset to record certain charges incurred by the Company due to union decertification by FCG union employees. Further, the Commission should find that the approval to record the regulatory asset for accounting purposes does not limit the Commission’s ability to review the amounts for reasonableness in future rate proceedings.

**Recommendation:** Yes. If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the Order, this docket should be closed upon the issuance of a Consummating Order.
