Re: Docket No. 070694-WS - Application for increase in water rates in Orange County by Wedgefield Utilities, Inc.

Dear Mr. Friedman:

Staff needs the following information to complete our review of the application.

With respect to the new water softener system for which cost recovery is requested in Mr. Marcelli's email dated October 27, 2008:

1. Please provide an explanation of the need for this system and the benefit to be derived by customers from its installation.
2. What is the projected date that this system will be placed in service?
3. In which primary account will the system be recorded?
4. The price quoted in the bid submitted with the utility's request includes "removal of existing water softeners." Please provide the utility's proposed adjustment for retirement of the equipment being replaced. The response to this item should include documentation to substantiate the original cost, date placed in service, and annual depreciation expense.

Please submit the above information to the Office of Commission Clerk by November 11, 2008. If you have any questions, please contact me by phone at (850) 413-6932 or by email at jkyle@psc.state.fl.us.
