Re: Docket No. 080268-WS

Dear Ms. Ann Cole,

FIMC Hideaway is requesting an amendment to our tariff for a late payment in the amount of \$10.00. The penalty is needed so customers will pay their utility bill every month on time.

There are no charges currently for late payments, our late payments amount to hundreds of dollars each month. Monthly due date is plenty of time for our customers to make payment and keep account current.

A total of 188 customers are billed monthly, the following is an example of late payments.

June'08	July'08	August '08	September '08	October '08
18=9%	18=9%	19=10%	21=11%	21=11%

Your consideration is appreciated.

Thank you,

Robert McBride
President
