NOTICE TO CUSTOMERS

Pursuant to Section 367.081(4)(a), Florida Statutes, water and wastewater utilities are permitted to adjust the rates and charges to their customers without those customers bearing the additional expense of a public hearing. These adjustments in rates would depend on increases or decreases in noncontrollable expenses subject to inflationary pressures such as chemicals and other general operation and maintenances costs.

On July 14, 2008, Silver Fox Utility Company, LLC d/b/a Timberwood Utilities filed an application for a staff-assisted alternative rate setting increase with the Florida Public Service Commission to increase wastewater rates in Pasco County pursuant to this Statute. The filing is subject to review by the Commission Staff for accuracy and completeness. Wastewater rates will increase by 11.67 %. These rates should be reflected for service rendered on or after _____.
