The CLEC company code in the list of utilities should be changed from TX476 to TX326. In addition, the docket title should be changed to reflect the correct company name as it appears in MCD.

I will prepare a corrected memo to replace the one I prepared earlier. If you get the older memo (with the name of the other CLEC), please hold it for me.

Jeff, upon further research we determined that the agreement is for a different CLEC - Birch Communications, Inc., Company #TX326.

Apparently our cover letter incorrectly referred to Birch Telecommunications, Inc., although the agreement itself is correct. We will do a corrected cover letter, if you think that is necessary.
