On March 3, 2009, KWRU filed a refund report indicating the refunds that have been made pursuant to Commission Order No. PSC-09-0057-FOF-SU. All refunds have been made, and the only question remaining is whether the checks mailed to former customers totaling \$249.54 will be cashed. The Utility is requesting the Commission to authorize the release of all escrowed monies and any unclaimed refunds will be credited to CIAC. Staff has determined that there are no pending issues that need to be addressed by the Commission. Staff has approved the tariffs, verified the refunds and the expiration of the time for filing an appeal has passed. The Utility will file, in approximately sixty days, a report outlining the disposition of the \$249.54. Therefore, this docket may be administratively closed since the Utility has complied with Order No. PSC-09-0057-FOF-SU. The refunds are complete and, pursuant to Order No. PSC-09-0057-FOF-SU, the escrowed funds may be released to the Utility.
