Jerry,

I have a directive to return to source Confidential DN 06505-08 in Docket 080436-EI.

This document was generated from Coston/CMP.

Should this document be shredded ? or returned to the company the paperwork is associated with ?
and if so, which specific company ?

thanks,

Marguerite.

DN 06505-08 - CMP (sic)/Coston - (CONFIDENTIAL) Documents relating to staff's workpapers for the review of fuel hedging practices of Florida's five investor-owned electric utilities [from DNs 05270-08, 05368-08, and 05436-08, which were filed by TECO/Beasley].
