Subject: Incorrect Utility Name - Docket No. 090154-SU

Hong,

Please direct this request to the correct person. Thank you.

The correct name of the utility in this docket is West Lakeland Wastewater, Inc. This name matches the certificated name for this utility as indicated in the Master Commission Directory. The person who filed the notice to initiate this docket had the name correct on the letterhead of the notice, but misspelled it in the body of the notice. Please correct the name of the docket to reflect wastewater as one word. Thank you.

Should you have any questions, feel free to contact me.
