AFFIDAVIT OF D. K. WHITE

BEFORE ME, the undersigned authority, personally appeared D. K. White who, being first duly sworn, deposes and says:

1. My name is D. K. White. I am currently employed by Florida Power & Light Company (“FPL”) as General Manager of Material Operations. My business address is 700 Universe Boulevard, Juno Beach, FL 33408. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents and information for which I am listed as Affiant and which are included in Exhibit A to FPL’s Request for Confidential Classification regarding Audit No 05-292-4-1. Documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual vendor data, such as pricing and other terms, the disclosure of which would impair the efforts of FPL to contract for goods of services on favorable terms in the future to the detriment of FPL and its customers. Additionally, certain information claimed confidential contains or constitutes competitively sensitive data, the disclosure of which could impair the competitive business of the provider of the information. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. No significant changes have occurred since the issuance of Order No. PSC-07-1005-CFO-EI to render the information stale or public such that continued confidential information treatment would not be appropriate. Accordingly, this information should continue to be maintained as confidential for an additional period of not less than eighteen months. In addition, these materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

D. K. White

SWORN TO AND SUBSCRIBED before me this 25th day of June 2009, by D. K. White, who is personally known to me or has produced (type of identification) as identification and who did take an oath.
