Dear Mr. Tabor:

Enclosed is Arma's notice that I edited, as well as the list of utilities and governmental/regulatory agencies in Marion County. Please refer to Commission Rule 25-30.030, Florida Administrative Code, for the noticing requirements. Noticing must be done in the proper format consistent with the rule. If your notice is not in the proper format, you will be required to renotice and your application will be delayed. Instructions for preparation of a territory description are available upon request.

Please note that if your county list includes two Department of Environmental Regulation offices or two Water Management District offices, you must identify which is the proper district office for your notice. You will note that the county list is dated and is valid for sixty days from that date. If you have not performed the noticing by this date, you must request an updated list. Should you have any questions, please contact the undersigned at (850) 413-6950.

Sincerely yours,
